PLANNING MEETING

in depth discussion of your plans so far & vision of your day to enable us to prepare for the next steps. fun & laughter filled chance for me to get to know you (and vice versa!)

VENUE

point of contact in the weeks leading up to your wedding. i take care all of those pesky things for the final planning

SUPPLIERS

in the weeks leading up to your wedding i review each vendor contract to ensure you're getting everything you agreed to, and I'm the one point of contact. i make sure that nothing's been missed

MEETINGS

1 x face to face meetings approx. 4-6 weeks prior to your wedding to discuss plans. this is where i find out about all the plans you made so i can bring them to life

GUIDANCE & ADVICE

make the most of my 25+ year's events experience! in the weeks leading up to your wedding have unlimited calls, texts, emails, carrier pigeon messages, owl mail, whatever makes you happy

RUN SHEET

creation of comprehensive, individual run sheets for the entire day for you, suppliers, venue & Auntie Beryl if she really wants it

LOGISTICS

work through all the details with your venue & suppliers in the lead up. i just make sure it will happen when it should, how it should, without any mishaps

REHEARSAL

attendance at wedding rehearsal to help you calm those nerves, get excited with you & so you know what to do!

ON THE DAY

1 x coordinators in attendance. 8 hours coordination on the day. i'm your wedding day director...management of run sheet, handle any challenges that may arise (you won't even know about it), the point of contact for all suppliers, basically the "the person"
